- 3.8. Open Source Software License. The Service may include open source software ("OSS"). To the extent so provided by the license that governs the applicable OSS ("OSS License"), each such OSS is subject to its respective OSS License, not this Agreement. If, and solely to the extent, an OSS License requires that this Agreement effectively impose, or incorporate by reference, certain disclaimers, provisions, prohibitions or restrictions, then such disclaimers, provisions, prohibitions or restrictions shall be deemed to be imposed, or incorporated by reference into this Agreement, as required, and shall supersede any conflicting provision of this Agreement, solely with respect to the corresponding OSS which is governed by such OSS License, available under <https://www.fyber.com/legal/opensource>.
- 3.9. Open Source Disclaimer. Fyber does not make any representation or warranty with respect to any OSS or free software that may be included in or accompany the Service. Fyber hereby disclaims all liability to you or any third party related to any such software that may be included in or accompany the Service.

4. Representations and Warranties

- 4.1. Mutual Representations and Warranties. Each party represents and warrants that: (a) it has all requisite power and authority to execute and enter into the Agreement and perform its obligations therein and hereunder, and that the Agreement is a valid and binding agreement by such party; (b) the execution of the Agreement, and its performance under it, will not constitute a breach or default of, or otherwise violate, any agreement to which it is a party, or violate any right of any third party arising therefrom; and (c) the Agreement constitutes a valid and binding agreement enforceable against it in accordance with its terms.
- 4.2. Supply Partner Representations and Warranties. Supply Partner represents and warrants that:
- 4.2.1. all Property and Ad Inventory complies with all applicable laws and regulations, including criminal code, data protection laws, consumer laws, youth protection provisions, and industry self-regulatory guidelines, such as the Digital Advertising Alliance (“DAA”) Self-Regulatory Principles or similar self-regulatory guidelines for mobile advertising in countries in which Users of the Property are situated, that such Property does not contain or promote any illegal content and/or any Prohibited Content, and that Supply Partner is solely and exclusively responsible for the Property and Ad Inventory;
 - 4.2.2. it shall not, and shall not permit, assist, or encourage any Third Party to, violate any Intellectual Property Rights or otherwise violate or breach any duty toward, or rights of, any person or entity, including without limitation rights of privacy and publicity via the Property and/or Ad Inventory;
 - 4.2.3. it shall not, and shall not permit, assist, or encourage any Third Party to, engage in Fraud via the Property and/or Ad Inventory; and
 - 4.2.4. it will not issue Ad Requests for any Ad Inventory and/or in relation to any Property containing Fraud or violating Fyber’s Content Guidelines published on the Fyber website at <https://www.fyber.com/legal/supply-content-guidelines/>, as may be amended by Fyber from time to time.

- 4.3. COPPA: Protection of Minors. To the extent Supply Partner makes Ad Inventory or any content relating thereto available to children under the age of thirteen (13) in the United States, or under any other age relevant under the laws of any other country where that Ad Inventory or any content relating thereto is made available to these children, this Section shall apply. Supply Partner represents and warrants that: (i) Supply Partner will comply with all applicable laws and regulations related to providing behavioral advertising to Children, including the Children's Online Privacy Protection Act and its rules, as amended from time to time (collectively, "**COPPA**") and with all laws, regulations, co-regulations, or self-regulation principles on the protection of minors applying in such other relevant countries, such as the General Data Protection Regulation ("**GDPR**") in Europe; (ii) except as specifically set forth in a notice described in this Section, the Property is not directed at children under the age of thirteen (13) and Supply Partner does not have actual knowledge that the Property collects personal information from children under the age of thirteen (13) or sixteen (16) under any other age applicable in the relevant country; and (iii) Supply Partner shall not knowingly collect or passes to Fyber any personal information for any purpose not permitted under COPPA, GDPR or under the laws applicable to minors in any such other relevant country. Supply Partner may access a designated area in its Account allowing it to flag the Ad Inventory as directed at children under the age of thirteen (13) or sixteen (16), as applicable. In case Supply Partner does not flag its Ad Inventory accordingly, Fyber will rely on Supply Partner's representations and reasonably assume that the Ad Inventory is not directed at children under the age of thirteen (13) or sixteen (16) as applicable, so that Ads delivered to such Inventory do not need to comply with any COPPA, GDPR or other applicable legislation's requirements.
- 4.4. App-Ads.txt. Supply Partner will include Fyber as a Direct on its App-ads.txt file in accordance with the IAB Tech Lab App-Ads.txt Public Spec (referenced here: <https://iabtechlab.com/wp-content/uploads/2019/03/app-ads.txt-v1.0-final-.pdf>). 5. Fees & Payment / Taxes / Netting clause

- 5.1. Tracking. Fyber's tracking and reporting regarding Ad Impressions and other payable activities under the Agreement (if applicable), shall calculate the Ad Impressions for the purpose of this Agreement, if not otherwise agreed between the Parties in the Service Order. Supply Partner shall duly examine the Account data and the amounts due to it when provided by Fyber, and shall notify Fyber, in writing (email suffices) and without undue delay (but in no event later than no later than fourteen (14) days upon receipt of the applicable report from Fyber), of any inaccuracy of the Account data or the amounts due to it that could be reasonably identified in such examination. If Supply Partner fails to notify Fyber of any such identifiable inaccuracy within such time period, the Account data and the amounts due to Supply Partner shall be deemed correct with regard to such identifiable inaccuracy. Supply Partner further agrees and acknowledges that the determinations of Fyber with respect its reporting and invoices are final where the difference between the evidence provided by Supply Partner and the Account data is less than ten percent (10%), which is considered a deviation in tracking customary in trade and therefore reasonably acceptable by both Parties. If the deviation is 10% or more, the Parties will negotiate in good faith to find an amiable solution.
- 5.2. Payout Threshold. In the case that the balance of amount(s) payable to Supply Partner is less than US\$1,000 or the equivalent thereof in the applicable currency, the balance will be carried forward to the following calendar month until (a) the balance of payable amounts exceeds one US\$1,000 or the equivalent thereof in the applicable currency, or (b) within sixty (60) days after the end of the month in which the Agreement is terminated.

- 5.4. Tax and VAT. Each party shall bear its own expenses (including but not limited to any tax obligations) relating to the activities and payments received under the Agreement. All sums payable under the Agreement are exclusive of any applicable tax.
- 5.5. Fraud. Notwithstanding anything to the contrary stated anywhere else in this Agreement, Fyber reserves the right, where it has reason to believe in good faith that Fraud actually took place, to withhold or suspend payment or any other associated revenues, unless and until Supply Partner provides evidence satisfactorily establishing the validity of the Ad Impressions or other payable Users' activities (if applicable). In addition, Supply Partner will promptly notify Fyber of any actual or suspected Fraud, and cooperate with Fyber in good faith to investigate, prevent and remedy any Fraud.
- 5.6. Netting Agreement. Supply Partner hereby acknowledges and agrees that Fyber shall have the right to set-off any and all amounts due by Supplier Partner to Fyber or any of its Affiliates, from any amount payable by Fyber or Affiliates to Supply Partner.

6. Modification of Service

Modification of Service. The Service(s), by their nature, may be updated and developed continuously over time. Fiber may modify the Services without prior notice, but only with effect for the future (i.e., not retroactively) and provided that the modification is reasonable for the Supply Partner considering its interests. A modification is reasonable for the Supply Partner if it is necessary to adapt the Services to changed circumstances regarding technological developments, market requirements, and any changes of applicable law, and in case of any new features, functions, or services added to the Services. Accordingly, Supply Partner's right to use the Services under this Agreement is limited to the then-current version of the Services. If a modification of a Service is not reasonably acceptable for Supply Partner, Supply Partner has the right to terminate the Agreement with respect to such Service effective immediately upon notice. Supply Partner shall have no other claims against Fiber due to changes in and to the Services.

- 9.4. Injunctive Relief. Accordingly, either party may seek and obtain injunctive relief or other equitable remedies against such breach or threatened breach, in addition to any other legal remedies that may be available. The Parties acknowledge and agree that the covenants contained herein are necessary for the protection of legitimate business interests of the owners of the Confidential Information and are reasonable in scope and content.

Fyber may terminate this Agreement for breach if Supply Partner fails to cure such breach within five (5) business days after receiving written (email sufficing) notice of such breach. Either party may terminate the Agreement for cause with immediate effect upon written notice to the other party if the other party is in breach of one of its material obligations under the Agreement, provided that the breaching party has not cured such breach within five (5) business days after receipt of a written (email suffices) notice of the breach from the terminating party.
- 10.4. Effect of Termination. Upon termination of the Term of this Agreement, all rights and licenses granted under the Agreement shall immediately terminate. Supply Partner shall discontinue all access to and use of the Service and shall have no rights in or to any Account data, which shall, as between Supply Partner and Fyber, be the exclusive property of Fyber and must be deleted by Supply Partner after settling any open amounts payable by or to Fyber. Termination of the Agreement will not release the Parties of any obligation accruing prior to such termination, or any amounts due to Supply Partners for Ads delivered up to the termination date.

- 10.5. Surviving Provisions. The rights and duties of the Parties under Sections 7.2, 8, 9 and 11 of this MSA will survive the termination of the Agreement.

11. Miscellaneous

- 11.1. Entire Agreement; Amendment; Severability. The Agreement supersedes all previous agreements between the Parties relating to the subject matter hereof. No provision of the Agreement will be deemed amended or modified by either party, unless such amendment or modification is made in writing and signed by both parties. If any provision of the Agreement is found by a competent authority to be unenforceable or invalid under the applicable law, the enforceability and validity of the remaining provisions will not be affected. Such provision will be interpreted and enforced so as to best accomplish the objectives of the Parties within the limits of applicable law, including applicable court decisions.
- 11.2. No Waiver. Fyber's failure to act with respect to a breach by Supply Partner does not waive Fyber's right to act with respect to that breach or subsequent or similar breaches. No consent or waiver by Fyber under the Agreement shall be deemed effective unless delivered in writing and signed by a duly appointed representative of Fyber.
- 11.3. Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed an original and all of which taken together will constitute one signed agreement between the Parties. Signatures may be transmitted by facsimile or electronic mail in PDF or another similar format and will be deemed original.
- 11.4. Assignment. Supply Partner will not assign or otherwise transfer this Agreement or any right or interest thereunder to any Third Party without the prior written consent of Fyber, except if such assignment occurs (a) pursuant to a merger, transfer or a sale of all or substantially all its assets or capital stock; or (b) to any successor or assignee of all or substantially all its business. Fyber may assign or otherwise transfer this Agreement without consent. Subject to the foregoing terms and restriction on assignments, the Agreement will be fully binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and assignees. Except as permitted by the foregoing, any attempted assignment, delegation or other transfer will be null, void and of no effect.
- 11.5. Force Majeure. Neither party will be liable to the other party for failure or delay in performing its obligations due to causes beyond its reasonable control, including without limitation acts of God, terrorism, war, riots, fire, earthquake, flood or degradation or failure of third-party networks or communications infrastructure.

Supply Partner agrees that Fyber may identify Supply Partner, including by using Supply Partner's name(s) and logo(s), as a customer of Fyber, including in Fyber's website(s), newsletters, case studies, emails or promotional posts in social media; in the event that Supply Partner wishes to be excluded from a specific promotion/publication of Fyber, Supply Partner may notify Fyber in writing and Fyber will cease using Supply Partner's name(s) and logo(s) in such publication, on a going-forward basis, provided that Fyber will not be required to cease such use in any printed material that has already been printed or ordered. Unless otherwise agreed by Parties, you will not be entitled to any compensation as a result of any such publication.

11.7. Arbitration. The Parties agree to arbitrate any dispute arising out of or relating to this Agreement or any Service, except that nothing in this Agreement will prohibit either Party from seeking temporary or preliminary injunctive or other equitable relief in any court of competent jurisdiction with respect to any alleged unlawful use of Intellectual Property Rights. THE PARTIES AGREE THAT THIS ARBITRATION PROVISION PREVENTS SUITS IN COURT OR A JURY TRIAL. Local Addenda to the Master Service Agreement for Supply Partners

Local Addendum – Germany

This Local Addendum to the Master Service Agreement for Supply Partners (“**Addendum**”) shall only become effective as an integral part of the Agreement between Fyber and Supply Partner (i) to the extent the parties explicitly agree upon its applicability in the applicable Service Order or (ii) if Supply Partner has its Seat in the Federal Republic of Germany, as stated in Section 11.8.1 of the MSA. In either case the provisions of this Addendum shall replace and supersede any conflicting provisions in the remaining Agreement, except for conflicting terms individually agreed upon between the parties in the applicable Service Order, which shall take precedence over the terms of this Addendum.

Capitalized terms used in this Addendum will have the meaning ascribed to them in the MSA unless otherwise defined herein.

1. Interpretation of “Warranty”

For the avoidance of doubt, the parties agree that the words “to represent/representation”, “to warrant/warranty” shall be understood as referring to an ordinary German law contractual representation (*Zusicherung*) and not to a German law guarantee with strict liability (*Garantie*).

2. Tax and VAT

Any legally owed German VAT for services supplied by Supply Partner in Germany shall be added to the due amounts in the respective statutory amount.

3. Disclaimers; Limitation of Liability

3.1. Section 7.1 of the MSA shall be deleted and replaced with the following:

“7.1 Quality; Availability of Service(s).

7.1.1 Fyber provides the Service(s) in accordance with the recognized state of the art and the care of a prudent service provider.

7.1.2 If Fyber cannot supply the Service(s) to Supply Partner for reasons beyond the control of Fyber (“**Non-availability of Service**”), Fyber will inform Supply Partner without undue delay, at the same time indicating – if possible – when Fyber will be able to continue the supply of the Service(s). If the Non-availability of Service has continued for two (2) weeks, Fyber may terminate the Agreement upon written notice to Supply Partner with immediate effect. It is also deemed a case of Non availability of Service within the meaning of the above sentence in case the timely provision of the Service(s) is prevented through force majeure, i.e., events which cannot be reasonably foreseen and averted by taking reasonable precautions by Fyber, such as war, acts of terrorism, internal unrest, forces of nature, sabotage, and attacks by third parties, strikes in areas for the functioning of which Fyber is not responsible and failure of communications networks or systems of a third party for which Fyber is not responsible (this also applies when such a case of force majeure occurs at one of Fyber’s subcontractors or suppliers). Statutory rights of termination of each party in the case of such Non-availability of Service remain unaffected.

3.2. Section 7.2 of the MSA shall be deleted and replaced with the following:

“7.2 Limitation of Liability.

7.2.1 Subject to Section 7.2.2, Fyber shall be liable for damages and futile expenses caused to or incurred by Supply Partner (collectively the “**Damages**”) pursuant to applicable statutory law.

7.2.2 Fyber’s liability for Damages of Supply Partner (irrespective of the legal nature of the claim, whether under contract, tort, or otherwise)

(a) caused by (i) a breach of material contractual obligations of Fyber under the Agreement with ordinary negligence (*einfache Fahrlässigkeit*), or (ii) a breach of non-material obligations by employees or vicarious agents of Fyber who are not legal representatives or executive officers (*leitende Angestellte*) of Fyber with gross negligence (*grobe Fahrlässigkeit*), shall be limited to those Damages foreseeable at the time of conclusion of the Agreement that typically arise in transactions of this nature;

(b) caused by a breach of non-material obligations under the Agreement with ordinary negligence shall be excluded; and

(c) caused by a defect of the Service(s) that already existed at the conclusion of the Agreement shall be excluded, provided that such Damages were not caused with negligence or willful intent of Fyber or a person for whose behavior Fyber is vicariously liable.

7.2.3 A material contractual obligation of Fyber according to the meaning of the foregoing Section 7.2.2 is an obligation, the fulfilment of which is a prerequisite for enabling the proper fulfilment of the Agreement in the first place and on which the Supply Partner regularly relies and may rely.

7.2.4 Notwithstanding Section 7.2.2, nothing in the Agreement shall limit Fyber’s liability for Damages arising from death or personal injury, from breach of a contractual guarantee as to the quality of goods or services or, in case of any other liability pursuant to applicable mandatory law, where such liability cannot be excluded or limited by agreement between the parties in advance (e.g., under sec. 1 of the German Product Liability Act).

7.2.5 The above limitations to liability also apply to the liability of employees, executive officers, legal representatives and vicarious agents of Fyber.”

4. Modifications to the MSA

4.1. Fyber reserves the right to change or amend the MSA at any time effective prospectively. Any change or amendment will be notified to Supply Partner in a suitable manner (including but not limited to by email or by display of the notice in the Account) at least four (4) weeks prior to its effective date

4.2. Supply Partner has the right to object to any change or amendment of the MSA within two (2) weeks after the date of the notification of the intended change or amendment. In case of a timely objection, each party shall be entitled to terminate the Agreement for cause upon notice to the other party, such termination to become effective upon the date that the intended change or amendment was to take effect. If Supply Partner does not object within two (2) weeks after the date of the notification, the change or amendment shall be deemed accepted by Supply Partner and become an integral part of the Agreement.

- 4.3. In its notification, Fyber will inform Supply Partner of Supply Partner's right to object within two (2) weeks, both party's right to terminate the Agreement in case of objection, and the legal consequences of non-objection.

5. Arbitration

Section 11.7 of the MSA shall be deleted and replaced with the following:

"11.5 Arbitration. All disputes between the parties arising out of or relating to the Agreement, including any non-contractual obligations arising out of or in connection with it, shall be finally settled in accordance with the Arbitration Rules of the German Institution of Arbitration (DIS) without recourse to the ordinary courts of law. The place of arbitration shall be Berlin, Germany. The arbitral proceedings shall be held in the English language."

6. Governing Law and Dispute Resolution

- 6.1. Governing Law. The Agreement and any non-contractual obligations arising out of or in connection with it shall be governed by, and construed in accordance with, the laws of the Federal Republic of Germany, without regards to their conflict of laws rules.
- 6.2. Jurisdiction. To the extent the arbitration provision in Section 11.7 of the MSA (as modified by Section 4 of this Addendum) does not apply, Supply Partner and Fyber agree that the courts in Berlin, Germany shall have exclusive jurisdiction over any dispute between the parties arising out of or relating to this Addendum, the Agreement, or any non-contractual obligations arising out of or in connection with them, and the parties hereby consent to the personal jurisdiction and venue of these courts.
